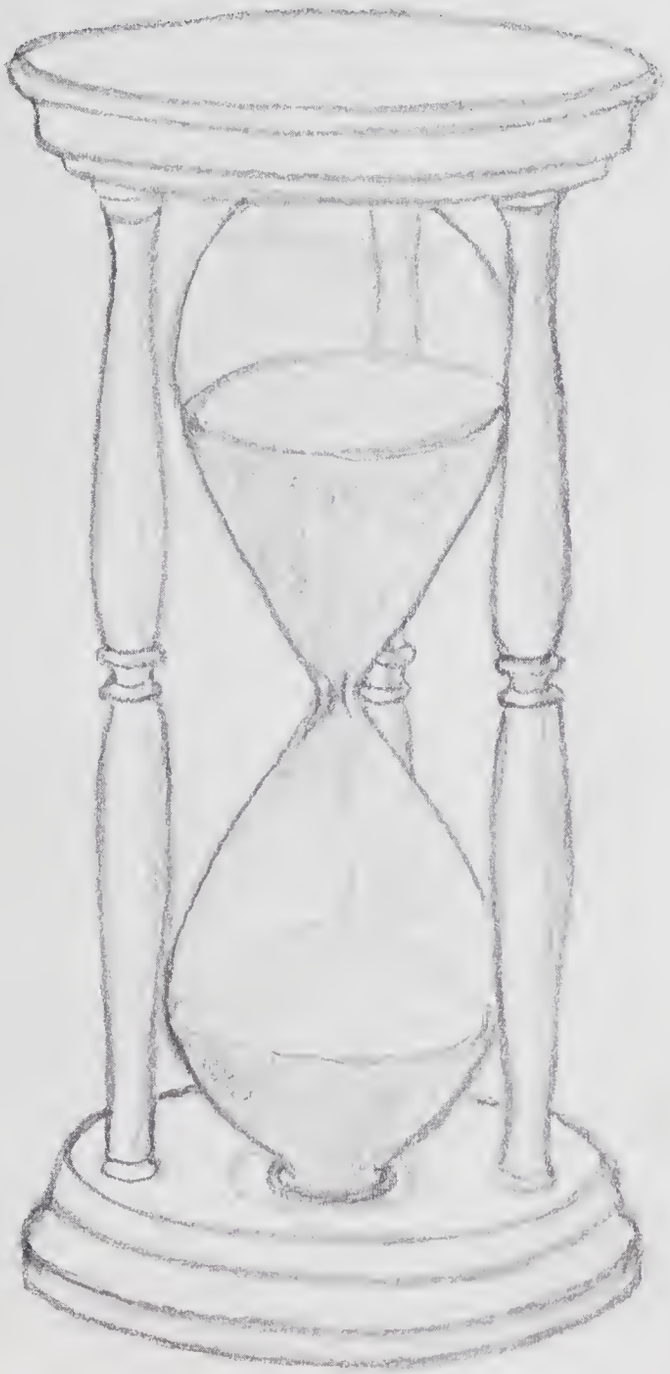
Foreword

Time stands still for no one. However, the staff of the Wak-igh-ian attempts to swing the hands of Father Time's clock counterclockwise and literally recapture the 1964-'65 school year at Wakelon High. We have tried to present a well-rounded picture of this year, but we realize there are many intangible things that pen and camera cannot record. May the '65 Wak-igh-ian always be a true reminder of your everyday life here, academically and socially.



This book will have a different meaning for each one of you as you fill the gaps in your own memories of things most dear to you. Consider the enormous amount of work and planning behind it, and don't be critical of the effort. When the future has become the past, take this volume from a dusty shelf and thumb its pages with a feeling of supreme joy as you reflect upon the happy times shared at dear 'ole Wakelon High.

Dedication

We, the Annual Staff of Wakelon High School, dedicate this annual to the Seniors of 1965. These students, who have just finished one chapter in their life story and prepare for another, deserve the recognition of this dedication. To them we wish the best of luck and success that life has to offer.

To the Seniors!

Senior Class History

On September 3, 1953, we, the Class of 1965, made our first appearance at Wakelon School. Although we we very small and inexperienced, we felt quite big and proud of ourselves since we had finally started to school.

We shall always be grateful to our first grade teachers, Mrs. Page, Mrs. Wall, and Mrs. Finch. We realize wha a time they must have had in trying to teach so many small boys and girls how to read and write, and how to do ou best in school.

Although all twelve of our school years have meant a great deal to us, we are going to mention only a few of ou highlights.

In the third grade, we were bereaved when we lost one of our classmates, Richard Gay.

In the seventh grade, our two classes took trips to Raleigh and Wilson.

We had our first experience with TV classes when we had TV math in the eighth grade. We also had Orientatio Day in May of this year.

Then the year finally came when we became Freshmen! We entered high as a class of 70 members. Our home room teachers were Mrs. Ann Strickland and Mrs. Louise Yert.

Before we knew it, our Freshmen year was over and we were Sophomores. Our class officers were Thurston Deb nam, president; Randy Creech, vice-president; Janet Griswold, treasurer; Lynda Gail Fathera, secretary; and Pats Hales, reporter. Mrs. Carol Stanley and Miss Mary Lacy Palmer were our homeroom teachers. During this year some of us were very happy to be selected for the Beta Club and the National Honor Society. Five boys and five girl were also selected as waiters and waitresses at the Junior-Senior Prom.

When we became Juniors in the fall of '63, we realized what a responsibility we had on our shoulders. Mrs. Mar Seago and Mr. Roscoe Spellmen were our homeroom teachers. Our officers were Avon Privette, president; Rodne McNabb, vice-president; Guy Massey, treasurer; Linda Green, secretary; and Tim Gay, reporter. We selected ou class motto which is "To the stars, through difficulties"; our colors, baby blue, navy blue, and white; and our flowe the blue carnation. Our first big project was that of selling magazines. Ralph Ihrie and Sue Blackley were the to salesmen. We had our first experience with acting when we presented our class play, "So This is Bliss." Then cam the Junior-Senior Prom. Boy, did we work! The theme of the prom was "The Starlight Club." It was held on May firs at the National Guard Armory. Also in May, our long-awaited class rings came. We really wore those rings wit pride! Our Junior year ended with our participation in Class Night.

Our final year began on September 8, 1964 with a class of 55. Our homeroom teachers were Mrs. Doris Privett and Mrs. Bessie Smith. Our officers were Thurston Debnam, president; Randy Creech, vice-president; Hulon Perry treasurer; Connie Perry, secretary; and Lynda Gail Fathera, reporter. We selected Linda Jean Ferrell and Andy Bran nan as our mascots. During the football season, we ran the concession stand. Our Senior play, "Teenage Millionaire" turned out to be a huge success after much hard work.

Graduation was upon us before we knew it. This history will end when we receive our diplomas. Each individua will write his own future history through his deeds.

Class Poem

Class of '65

To dear ole Wakelon we owe our deepest thanks,
For letting us fish for knowledge from her banks.

For without this we could never hope to see,
Ourselves among those who, successful will be.

As the stream moves on we will leave some friends behind,
Still, treasured memories will remain in every mind.

Those cluttered locker rooms in which we met,
Are part of which we know we'll not forget.

We hail our teachers and our parents, so dear,
As stars they guided us, to make the way clear.

To meet the pitfalls, which today face man,
And to o're leap them, the best that we can.

For to really succeed and stay up with the rest,
Is a matter of trying to do our own very best.

"Vive la Wakelon" shall forever be our cry,
As we leave your portals with a tender good-bye.

Last Will and Testament

We, the Senior Class of 1965 of Wakelon High School, on this third day of June of the same year, do solemnly declare this to be our last will and testament, hereby revoking and making void all other testamonial writings heretofore made by us.

Article I. To our beloved school, we leave everlasting loyalty and our devotion.

Article II. To our parents, we give our devotion and appreciation for making graduation possible. We hereby promise to try to live up to the ideals they have helped us set.

Article III. To the faculty, we leave our deepest and sincerest appreciation for their patience and guidance through the past years.

Article IV. To the Freshmen, we will our dignified ways.

Article V. To the Sophomores, we will the great honor of catering to the Seniors of 1966 in every way expected of them.

Article VI. To the Juniors, we will our honorable position as Seniors. We bequeath our intelligence, our athletic ability, good manners, and special privileges to them.

Article VII. The Seniors bequeath individually the following things: Patsy Braswell leaves her love for horses to Susan Davis. Ronnie Chamblee wills his height to Preston Averette. Judy Boykin wills her ability in basketball to shoot at the wrong goal to Linda Pulley. Randy Creech and Thurston Debnam leave their stomping grounds in Raleigh to Frankie Kannon and Terry Hicks. Janet Griswold leaves her place as secretary of the Monogram Club to Pam Manning, hoping she has as much fun as she did. Eugene Carter wills his curly hair to Frankie Kannon and his sleeping ability in economics to anyone who might have a paper route. Judy Brantley leaves her seat in typing to Wayne Brantley and hopes he enjoys it as much as she did. Donald Hocutt leaves his good times with Coach Chapman to Thomas Pearce. Brenda Arnold wills her car, Big Bertha, to anyone who has the nerve to handle her. Rodney McNabb wills his football shoes to Thurston Price so maybe someday he can grow into them. Shirley Baker leaves her position as F.T.A. president to Kay Antone and leaves--headed for Carl Williams. Avon Privette wills his trumpet-playing ability to Jane Hinton, so then she can play like Louis Armstrong. Peggy Maiden wills everything but Leslie to her sister Nancy. Jesse Ray wills his height to Junior Richardson. Jean Sutton wills her ability to have "those little get-togethers" to Donna Kimball. Orman Ellington wills his humorous ways and red hair to his favorite teacher Mrs. Stanley. Phyllis Laspino wills her nimble fingers to anyone who has trouble with typing. Vincent Rountree wills his love for the outdoors to Michael Tippett. Linda Green leaves her position in the band to Timmy Kemp. Tommy Pate wills his friendly ways to anyone who will use them. Diane Fowler leaves her good times and place on the cheer-leading squad to Pam Manning. Wallace Bunn leaves his tackle position on the football squad to Freddie Medlin. Ann Layfield leaves without Johnny. Clyde Pearce leaves his daily cartons of milk to whomever is thirsty. Dianne May wills her ability to sleep through drive-in movies to those who like drive-ins. Shannon Scott wills his black hair to Susan Davis. Angela Hood leaves her quiet ways to her sister who needs them. Gerald Mitchell wills his tackle position on the football squad to Preston Averette. Ruth Strickland wills her hair color rinses, mischievous ways, and love for Middlesex boys to her sister Linda. Bruce Richards leaves Wakelon with hope of coming back someday, but no time soon. Andrea Eddins leaves her role as "brat" in the Junior play and in real life to Timmy Kemp. Tim Holmes wills his ability to do the "dog" to Jerry Brayboy. Phyllis Liles leaves her love for Chevrolets to a Junior girl. Larry Brown wills his extra weight to Donald Ray Tant so he can play football without getting broken bones. Patsy Hales leaves her title as "best looking" to Faye Finch. Wayne Jenkins leaves his brain to the whole Junior class in order to graduate. Carolyn Stallings wills her ability to catch good-looking Corinth boys to her sister Cathy. Hulon Perry leaves his reputation to anyone who can use it. Ann Thomas leaves her sigh of relief--"whew"-- to those who finish painful tasks. Jimmy Blackley wills his '56 Chevy to all chevy lovers of Wakelon. Ellen Ingram wills her ability to have natural blonde hair to Linda Kimball. Tim Gay leaves his height to Freddie Hinton; and love for U.N.C. Tarheels to Johnny Clark. Nancy Perry wills her speech-making ability to all public speakers. Jimmy Strickland wills the "Puckett" to the coach. Sue Blackley wills her curly hair to those who have to get permanents. Dwight Pearce leaves a "Sweetie Pie" to the coach. Dwight says they are goo-ood and they will tickle your inards. Sandra Bissette wills her sewing ability to all Home Economics students. Guy Massey leaves his coveted position as Drum Major for the Wakelon Band to whomever wants it. Best of luck, fella. Bobby Barbour wills nothing, he just leaves the dear "ole" place. Willard Tant wills his bus to Mr. Hawkins. Lynda Fathera leaves her talkative ways and popularity to Ester Fathera. Debby Massey leaves her red hair and position as head majorette to Cheryl Gay. As for the class testators, Charles Pulley wills his athletic ability to jump ditches, that is, on his car to Helen Mitchell. Connie Perry leaves her love for Wakelon and athletics to all Wakelon students.

Class Song

Today while we stand on the threshold of life;
We look to the future remembering our strife.
A million tomorrows shall all pass away,
'Ere we forget all the joy that is ours today.

We'll ne'er forget all our classmates so dear
And all the memories of fun through the years.
Always together where'ere we may be,
Dear Wakelon we'll ne'er forget thee.

Today while we stand on the threshold of life,
We look to the future remembering our strife.
We can't be contented with yesterday's glory,
The past must acknowledge our future success.
Today is our omen, tomorrow, our story,
We'll laugh and we'll cry and we'll sing.

Through all of our days together gone by,
We'll think of the past and sing with a sigh;
A million tomorrows shall all pass away
'Ere we forget all the joy that is ours today.

School Song

It's dear old Wakelon, it's dear old Wakelon,

We have the best school in the land.

Come on Wakelonians, join in Wakelonians,

We'll show the whole world where we stand.

Now is the time, boys, to make a big noise

No matter what the people say,

There's none to fear, the gangs all here,

So, it's hail to dear old Wakelon, hail, rah, rah.

Class Prophecy

Now let us look into the stars to see what the future holds for the Class of '6S! Goodness! Brenda Arnold now has her own dance studio. She hasn't been able to get Freddy in dance tights yet but she's working on it.

Wayne Jenkins isn't working with computers as we all expected him to do. He now is one. He makes $1000 a month totaling SAT scores.

Never underestimate the power of Avon Privette. He is now champion debator 197S.

Jesse Ray has turned out to be a real loudmouth. He now blows into the speaker before Mr. Hawkins speaks.

Jimmy Blackley is now timekeeper for the Piedmont dragstrip. Maybe someday he will get himself a car decent enough to race.

Wallace Bunn now has his own service station and is also part time chauffeur for Shelton Bunn.

Eugene Carter finally did it. He got mad enough to buy a new car, buy a ring and marry Joyce.

Ronnie Chamblee is now devoting all his time to teaching his children to stand on their toes to reach the pencil trimmer.

Sue Blackley is now head of the Perry household. We hear she's having quite a time keeping all those diapers clean.

We find Debby Massey now has her own Majorette Corps consisting of little Drivers.

Patsy Hales has finally learned how to sew. She is now seamstress for Gay's Highway Patrol. Looks like Madras patrol uniforms are now being used.

We find that Dianne May's training in home economics has certainly paid off. She is now happily married and has 4 healthy youngsters.

Tim Gay really did make his fortune off those stocks he bought from the telephone company. He is now co-owner of the Bell Telephone Company.

As we all remember, Judy Brantley started her career as a housewife early. She has carried her career even further and now has two little baby girls.

Orman Ellington has finally gotten on television as a comedian. There was never a dull moment at school as long as Orman was around.

"Say what's this?" Buy your tickets for the baseball game tonight. Charles Pulley, formerly of Zebulon, N. C., is star player for the "New York Mets." By the way they are still having losing seasons.

Janet Griswold is now married to one of her "ole flames." I hear she is a very efficient wife. Maybe her home economics did her some good after all.

Jimmy Strickland and Dwight Pearce are two of the most successful farmers of our day. I've heard they had to build larger barns this year because they are buying new machinery. What they learned in FFA must have been worth a lot.

Listen, I hear music. It sounds like the voice of Peggy Maiden, who is now recording the nation's top tunes.

Take a letter please, Miss Angela Hood. She is secretary to the President of a large bank in Greensboro.

Say, who is that smiling nurse coming out of Room 2Il in Watts Hospital. Lynda Fathera, of course, I wonder if she ever found that intern she was always talking about.

Donald Hocutt is the fellow to call when you need your sink unstopped. I understand he is a first-rate plumber.

We see that Tim Holmes has followed in his mother's footsteps. He has now become the world's finest men's hairdresser.

Rodney McNabb has finally succeeded in his career as a basketball player. He is now water boy for the Harlem Globe Trotters.

Vincent Rountree now has his own TV show. The other day on the way to the studio he tripped and broke his leg. Same ole Vincent.

Shannon Scott's piano training sure did come in handy. He is currently featured at the Mulon Rouge in Hollywood, California.

Our quiet Judy Boykin attended college and decided to really make herself worth while. She was always good at basketball, but we never dreamed she would someday be coaching in a large city school.

Patsy Braswell always has been good at sketching. She now has a job as a comic strip artist for one of the newspapers in Raleigh. Guess her good sense of humor paid off too.

Goodness! What's this we see? Andrea Lee Eddins is now married and has ten little children. Oh well—we all told her didn't we?

Nancy Perry is now secretary for her husband. She was always good in typing but no one ever guessed she would someday be a secretary and marry her boss.

My, that new filling station that Bruce Richards is building is really swell! Some people wonder how he does so well, but I would like to know if his conscience hurts him when he sells quarts of gas for a gallon?

The newspaper tells that one of the top scientists of the day is none other than Hulon Perry. They say he is a wizard and can split an atom to the N-th degree.

Ann Thomas won the most blue ribbons at the fair this year. She is a wenderful housekeeper. No wonder her husband is putting on weight.

Diane Fowler has just been elected President of the N. C. Society of Cosmotologists. She specializes in permanent waves, facials, and getting rid of double skins.

Ann Layfield has finished her training as a nurse. I'll bet men get sick just to have a chance to have her hold their hand.

Ruth Strickland is now librarian in one of the city schools. She is very efficient and keeps every book straight. I wonder if she has as much trouble keeping it quiet as Mrs. Pippin had back in '6S?

Guy Massey is following in his fathers footsteps. He is now president of the world's largest bank, Massey Bank and Trust.

We see that Jean Sutton has gotten rid of her little sports car. She married a millionaire and now drives a big Lincoln Continental.

Thurston Debnam is doing quite well for himself in his recently inherited hardware store. He's not selling too much merchandise, but a lot of women come in to look. Same ole irresistable Thurston.

Clyde Pearce now has a highly regarded occupation. He is forest ranger in the Great Smoky Mountains.

Tommy Pate is now manager of the Gill Buick-Pontiac Company. Now he can drive as many Pontiacs as he likes.

Sandra Bissette's training in the Junior and Senior plays really paid off. She is now star in one of Broadways greatest hits.

Linda Green's training in music has finally paid off. She can now sing her little Sidney's to sleep each night.

Phyllis Laspina now has an exclusive article in the growing newspaper—The Zebulon Record.

Carolyn Stallings has made history. She is the first person ever to receive a Doctor's degree from a secreterial school.

April's issue of "Vogue" really disappeared from the newstand, but no wonder. Our own Ellen Ingram's face smiled prettily on the cover wearing a new Easter bonnet. She is really a lovely model.

If any of you fellows and girls go sailing on the sea of matrimony, on your honeymoon, how about dropping in to see Phyllis Liles. I understand she has quite a fleet of yachts.

Bobby Barbour is now the best X-Ray Technician at the Wendell-Zebulon Hospital.

Randy Creech has finally become a doctor. He is now head surgeon at Finch Memorial Hospital.

Connie Perry has returned to Wakelon High School. She is now the coach of the girls' basketball team. I hear they have had S straight winning seasons.

As for what the stars hold for us, it's very interesting, but as you see we are too busy with our classmates futures now.

Most Popular

Lynda Gail Fathera and Thurston Debnam were chosen as the most popular seniors in our class. Popularity means getting along with the others, doing kind deeds, and being generally interested in everyone. Thurston and Gail are truly deserving of this honor.

Most Talented

Most talented goes to Avon Privette, Linda Green, and Guy Massey. Avon is a member of the band and also shows a talent on the dance floor. It has been said that Linda can play most anything--here she is proving it. Guy plays two drums and is presently serving as that long, tall drum major in front of our band.

Most Intellectual

This is probably something you will never see—Linda Green and Wayne Jenkins in the corner with dunce hats on their heads. If you ever have a problem in math, English, science, or French—just call on them and they'll find the answer like an electric computor.

Wittiest

Dianne Fowler and Dwight Pearce were chosen as the "wittiest." For a pick-me-up Dianne is the next best thing to Geritol, and don't be surprised at most anything you see her doing. Dwight has shown his witty personality in both the Junior and Senior plays. For laughs, he is the man to see.

Most Dependable

If there's a job to be done, a hard job that has to be done just right (like washing windows) then call on Linda Green and Ronny Chamblee for most dependable. They both hold offices in clubs and serve these clubs and their class to the best of their ability.

Friendliest

Jean Sutton and Tommy Pate were chosen as the "friendliest." Meeting one of these two as you walk down one of the dark halls on a rainy Monday morning gives you a brighter feeling. They go out of their way to flash a smile or a friendly "hello" to everyone they meet.

Best Dressed

Best dressed means not only what you wear but also how you wear your clothes. Janet Griswold and Thurston Debnam were chosen as the "best dressed" in our senior class. They have kept up with the styles through four years of high school. Janet has gone from bobby socks to black stockings and Thurston has gone from madras to stripes.

Most Likely to Succeed

Would you believe that ten years ago, these two bums were voted Most Likely To Succeed in their Senior Class?! Well—it all depends on what you want out of life! Back then, Linda Green and Rodney McNabb were dependable, intelligent, and popular students. They were leaders in their class. I wonder what happened?

Best All Round

Here we have caught Debby Massey and Thurston Debnam slipping out of school. They didn't like what was being served for lunch so they decided to go to the Dairy Queen. Best all round means just a "little bit of everything". Debby is head majorette and editor of the annual. Thurston plays football and basketball and is active in several clubs.

Most Athletic

Randy Creech and Connie Perry were chosen as the "most athletic." Connie has played basketball all four years of high school. Her spirit and skill made her co-captain her Junior and Senior years. Randy has played football, basketball, and baseball. But football is his glory—bringing his team to victory in many games.

Best Looking

Best looking goes to Patsy Hales and Thurston Debnam. Beauty and good looks must come from within as well as without. Each is friendly, popular, and well liked. They have proven that beauty is more than skin deep.

Mascots

Linda Jean Ferrel and Andy Brannon were chosen as mascots of the Senior class. Here they are looking at a blueprint—the basic idea for their life which they await so anxiously. They are planning the foundation and development of the years to come.

Class

Freshmen

DANNY GORDEN, President; BILLY MOSS, Vice President; JUDY SCARBOROUGH, Secretary; RUBY CREECH, Treasurer; CHERRIE BOWLING, Reporter.

As Freshmen, we lay the foundation for our high school, college, and business careers. This is very important in that we must get off to the best start, not leaving out any details which might hinder us in the future.

Officers

Sophomores

DREW CANNADY, President; DONNA KIMBALL, Vice President; MARTHA STRICKLAND, Secretary; BOBBY JOHNSON, Treasurer; EDDIE BUNN, Reporter.

As Sophomores, we begin adding the standing timber to the foundation we laid as Freshmen. We awake to many new areas of interest that were not exposed to us in the past.

Class

Juniors

ROBERT LANIER, President; TERRY HICKS, Vice President; FAYE SAWYER, Secretary; Jean BUNN. Treasurer; HELEN OAKLEY, Reporter.

As Juniors, we have laid our foundation and are fairly set in our ways. We now begin adding details which make our careers more interesting and complete. Though small, these details enrich our school life.

Officers

Seniors

THURSTON DEBNAM, President; RANDY CREECH, Vice President; CONNIE PERRY, Secretary; HULON PERRY, Treasurer; LYNDA GAIL FATHERA, Reporter.

As Seniors, we have completed our high school career. But for each of us, our education is not nearly complete. We have sown the grass, planted the flowers, and erected the framework of our garage. Through college and other outlets, we begin building on to our basic education.

I believe in boys and girls, the men and women of tomorrow; that whatsoever the boy soweth the man reapeth.

Principal

This Mighty Man, Mr. J. C. Hawkins, is our principal. He is admired, respected, and sometimes feared. He sometimes gives a tough impression because of his size, strength, and facial expression. But behind all this is a very understanding man who believes in young people and their future. Many students after a conference with him emerge with a much better feeling inside. He is a man of many moods, never trying to conceive these moods good or bad.

His schedule from 8 'til 4 is filled with signing admittance slips to toiling with daily problems. But does he have regular working hours? A principal's life is not his own. He is on call through all hours, day or night, with no complaint. This public servant is a devoted man, he knows his work and loves it.

There have been many good principals at Wakelon through the years. There is a saying, "You don't know a good thing till you lose it." We, the students at Wakelon, realize the capable leadership and many assets of this distinguished administrator. Let's not lose this "good thing."

A bright Monday morning

"May I have your attention please"

The "Big 3"

"Hello, come in and have a seat."

"Wakelon School, Mrs. Bowling speaking."

These two smiling ladies are two that Wakelon School could absolutely not do without. They are the backbone of the students and the teachers.

"Mrs. Bowling, do you have any crayons?" "Mrs. Bowling, will you make this announcement for me?" "Mrs. Bowling, can you make this sentence sound right?" How many of us are guilty of calling on our school secretary like this? And yet she always smiles and answers, "Yes, I'll try." She has probably helped every student at Wakelon and, as time goes by, she will continue to do so.

If a student is uncertain about the future or just plain needs help, he turns to Miss Gay. She possesses certain characteristics which enable her to be the great guidance counselor she is. She is interested in all students. She never tells a student what to do but presents questions which help him figure out his problems for himself. To Miss Gay, a student says—"Thank You."

Kindergarten

What is the kindergarten? It is an assembly of the far tomorrows' doctors, nurses, lawyers, fathers, mothers, and citizens of all trades. It is the bottom rung of the ladder for today's assembly of eager, scrubbed faces and toothless smiles; the first step toward the future which so hopefully belongs to them.

Marshals

The marshals were chosen in the Spring of the year to serve the senior class at Class Night, the Baccalaureate Sermon, and at Graduation. These six were chosen on a scholastic basis from the Junior Class. The Chief for the 1964 graduation exercises was Wayne Jenkins. Linda Green, Ronnie Chamblee, Peggy Maiden, Avon Privette, and Patsy Braswell were also chosen as marshals.

Tarheel Boy's and Girl's State

Debby Massey, Connie Perry, Rodney McNabb, and Hulon Perry were chosen by the American Legion and the American Legion Auxiliary as delegates to Tarheel Girls and Boys State. The schedule was busy and every minute filled. The delegates learned about their state government through a miniature state of their own. There were also many good times as you can imagine with 300 girls or boys.

Night Came -

Tonight the Senior Class presented their mascots to the public.

Homecoming 1964 was a great event in our school year which shall be remembered by all the participants. It began with a parade featuring the majorettes, band, cheerleaders, club floats and sweethearts, and several floats representing the business enterprises. The football team did their part in making homecoming a success with a 43 to 12 victory. At halftime, Shirley Baker, senior representative, was crowned homecoming queen. Patsy Hales was chosen Maid of Honor.

Remember those fire batons?

The majorettes and band lead in the school song.

Homecoming Queen

How do you choose a Homecoming Queen? A queen must be beautiful, charming, and debonair. She must obtain certain qualities that make her outstanding in all that she does. Shirley Baker was chosen as the 1964 Homecoming Queen. She possesses all these qualities that made her outstanding to the students of Wakelon High School.

Homecoming Representatives

Homecoming 1964 was more beautiful than ever as these eight lovely ladies were escorted-first in the parade, then on the field at halftime. Riding atop the latest convertibles, they possessed all the charm and grace ever possessed by any queen. Patsy Hales, Senior representative, was chosen Maid of Honor. Although only one girl could be chosen homecoming queen, these girls are queens of the class they represent.

The Cotillion Club is an organization for the young people of Zebulon. We hold gala events monthly, varying from a beatnik theme to the Top Hat Night Club. The officers for the 1964-65 year are: Debby Massey, president; Wayne Jenkins, vice-president; Linda Kimball, secretary; Donna Kimball, corresponding secretary; and Kay Antone, treasurer. Mrs. Frank Massey sponsors our club.

The Cotillion Club

Best Wishes To a very good Friend and Student. I Am Looking Forward To the Next Three years With you. Good Luck.

Coach Chapman

Our Coach Mr. Chapman

Our coach, Mr. Chapman, is in complete control of any situation. He is a familiar figure on campus with his friendly smile, one hand in his pocket, and the other holding his coffee cup. As a teacher, he freely expresses his views and shares his knowledge of history. As a coach, he has lead the Wakelon football, basketball, and baseball teams to some of the best seasons ever remembered. During the summer you will find him on the right hand side of a driver training car teaching respect for the road. We are proud to have Mr. Chapman as "our coach".

Foot

The 1964 Wakelon High School football team had a great chance to become the Wake-Nash Edgecombe conference champions. Although the team seemed always to play their hardest, a stroke of bad luck in two different games kept them from winning the pennant. The team lost two conference games, one to Nashville High School and one to Oxford Orphanage. The score in each of these games was very close and they were heartbreaking losses for each player. In regular season play the team had a 6-4 record.

Ball

The spirit of the team was the greatest ever known at Wakelon. Although mistakes were made in every game, each player seemed to play as well as he could. Even the few times the members of the second team got to play they seemed to do a wonderful job. The team knew they had to play as a whole to win and they played as such skillfully.

In a sense the team did win a conference because the people in and around Zebulon feel that the 1964 Wakelon football team was the best the school has ever produced.

"Small but mighty" describes the 1964-65 Wakelon Band. The halftime shows performed during football season, lead by drum major Guy Massey, were accepted with huge rounds of applause. The band participated in Cary Band Day and four Christmas parades including Raleigh and Zebulon.

Leading our band were the high-stepping majorettes, with shoulders back, and heads held high. With new uniforms, they performed beautiful halftime shows with ribbons, flags, and fire. Highlighting their good season, they were named the most outstanding majorettes in the Raleigh Christmas parade. They were also first to march in a snowy Christmas parade.

Beta Club

The major projects of the Beta Club are service projects. Some of the services we do are babysitting at the P. T. A. meetings, posting the school menu weekly, and decorating a bulletin board for the high school. We also have special devotionals in each homeroom for the holidays such as Thanksgiving, Christmas, nd Easter. At Christmas, we fix a box for a needy family and also put up a Christmas tree in the school hall.

Although we are not a money-making club, we have some money-making projects to maintain our existence. This year at the Halloween carnival we operated a game booth.

Can you imagine the work that goes into planning an annual? Our job began in the summer when we started getting advertisements and making the first prepartations. The staff, as a whole, has worked diligently since. We have planned every page, numbered every picture, and typed all the copy. The rest is up to you—to enjoy our work and remember us for it.

Objectives: 1. To increase pupil interest and participation in school library and audio-visual work. 2. To promote better understanding and cooperation between local and state high school library clubs. 3. To attract high-type pupil library and audio-visual assistants and to arouse interest in the study of librarianship and audio-visual coordination as a profession.

Projects: 1. Chocolate sale 2. bake sale 3. scrapbook 4. float in Homecoming parade 5. Panel discussion 6. Donating money to help buy books and magazines for the library.

Journalism Club

Distributing and collecting assignments, editing articles, typing articles, mimeographing stencils, gathering pages and finally selling the finished product are a few steps toward a monthly edition of Bulldog Barks.

Other than a monthly publication the Journalism Club finds time to sponsor a car in the Homecoming Parade, sponsor a needy family at Christmas, visit the Zebulon Record Office, and entertain seniors at an annual tea in the spring.

The club welcomes members from all classes. The requirements are not as simple. The club wants hard-working reporters and distributors who realize that the paper must go out.

To be in the Journalism Club is to possess a responsibility to the readers, the student body and a sense of dedication to the paper, Bulldog Barks.

Cheerleaders

2-4-6-8-Who do we appreciate? Wakelon! Wakelon! We the cheerleaders have tried to promote school spirit this year. We provided a cheering section at both the football and basketball games for the cheering students to sit in. We sponsored a few pep rallies that were a big success due to the students who came out and supported us. The Monogram Club gave us new uniforms for basketball season. We have spent many hours practicing cheers to cheer our team on to victory. We have tried to be the backbone of our school spirit. We believe that no honor is any greater than being a Wakelon cheerleader. 2 bits- 4 bits- 6 bits- a dollar. All for Wakelon stand up and holler.

Basketball

The outlook seemed bright for the Bulldogs of 1964-65. Not a single player was lost from last year's team via graduation. The whole team had grown for a year and now were ready to play ball. Coach Chapman provided the best guidance available and the boys supplied the hard work and determination.

As the season opened the team blossomed. Soon Coach Chapman found that he had seven or eight boys who could be in the starting line-up. What a difference a year had made, especially in the play of the underclassmen. One of the conference's strongest benches was at Wakelon.

With even breaks and the top-notch basketballing expected of the team, the Bulldogs should be a real contender.

Our 64-65 basketball season caught a lot of eyes this year. For the first time in many years our girl's team was viewed near and on top of the Wake-Nash-Edgecomb Conference. This was made possible by our Coach Mr. Pat Crobett and assistant Carlton Hardy, the cheering supporters, and each team member's determination. From the first game until the last there was that spirit, enthusiasm, love for basketball, and coaches advice that makes a team. Some major victories were Spring Hope and Rolesville. With regret, the 64-65 season classes with the loss of five senior girls.

Oh, those happy faces!

Look at my present!

Accomplishment is born of ideas plus action. This seemingly simple formula has served as a motto in the activities of the N. H. S. The members voluntarily sold football programs with ads to students and "about the town" merchants in the Homecoming issue. Janet Duke represented our club as "Miss N. H. S." while her co-members outdid themselves on a float representative of the club ideas. A party has been planned to include the orphans' Christmas. Induction ceremonies for new members has been scheduled, and plans for a club scrap-book have been discussed. The rest of the club's activities could be summarized as plans, plans, and more plans.

Student Council

Mrs. Doris Privette sponsors the Student Council.

The student government organization of Wakelon School is one of the most active clubs. Our job is to represent the interest of the students in important activities and to help maintain law and order by setting a good example for our fellow students.

In service, we render our most valuable service to our school. We run the ice cream store at break, a student supply store for school supplies, and take care of flag-raising and lowering at our school. The Student Council, during Homecoming, is in charge of seeing that all activities are complete.

Our money-making project is the concession stand at home basketball games.

Future Teachers of America

President: Shirley Baker, Vice President: Lynda Gail Fathera, Secretary: Linda Kimball, Treasurer: Barbara Boykin.

Anytime during the school year, if you see a bright young student rushing from one building to the other, whether the weather be sunny or stormy, you know she is an F. T. A. girl. She belongs to an active club who sponsors a tea for the teachers, attends the Wake County F. T. A. Banquet and sponsors a money making project which she works at diligently. Her main purpose is that of the club, to aid and assist any teacher from helping her grade papers to even teaching the students. So you can see, she is an active girl promoting a worthwhile job.

Bus Drivers

The bus drivers have one of the most responsible jobs at our school. And yet, we give them no recognition. They rise and shine at the crack of dawn and wind, snow, rain, nor sleet can keep them from their duty. They must have patience and the ability to "handle" young children. Wakelon School is fortunate to have these eight capable bus drivers who will take the responsibility of bringing the students to and from school everyday.

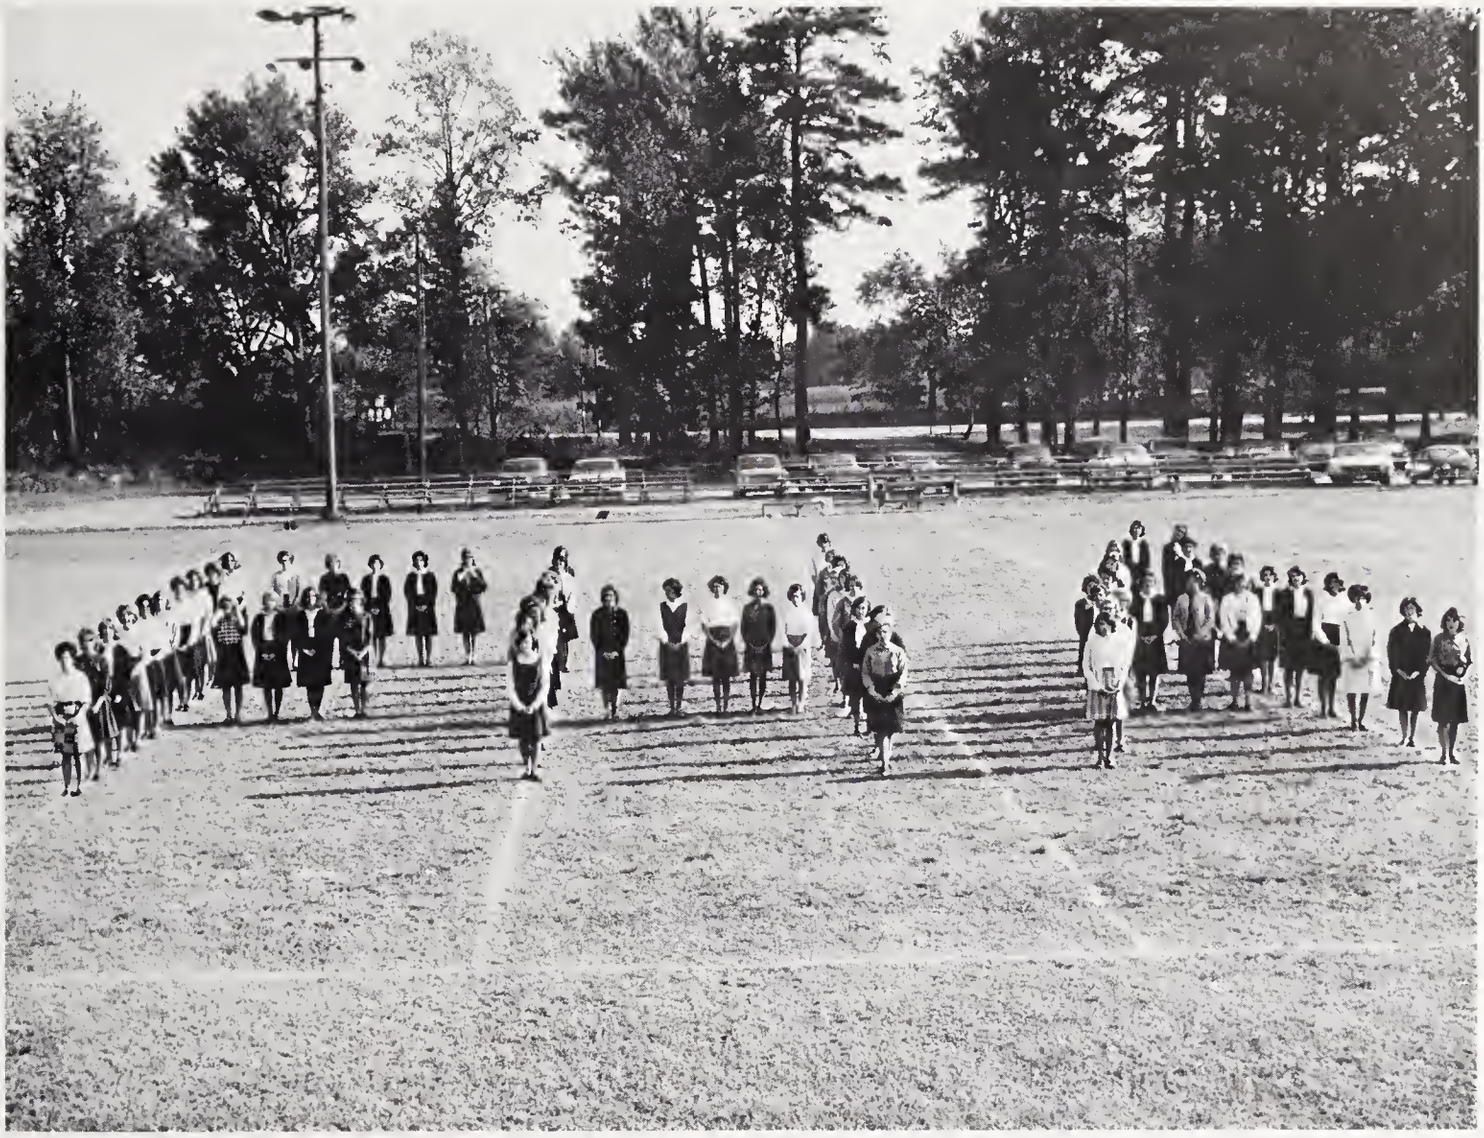
Future Farmers of America

The Wakelon Chapter of the F. F. A. has had a very busy schedule for the 1964-65 school year. The activities for the year included such projects as "Fund Raising" and "Publicity" Projects. We sponsored co-operative programs during the year which concluded with a special scholarship awards program. We took tours and trips during the year to familiarize ourselves with the real meaning of F. F. A.



Future Homemakers of America

Newly Elected officers for the '64-65 term are: Janet Griswold, President, Diane Fowler, Vice President, Donna Kimball, Secretary-Treasurer.

The year 1964-65 brought the membership of the Future Homemakers of America to a total of 55. We started the year off right by winning a blue ribbon for a booth at the Zebulon Fair. We were well represented at the County workshop in the fall and also at the Spring County Rally. At Christmas, we helped some needy families in the community with baskets of food and toys. The year and its activities will go down in lists of "Things to Cherish" about dear ole Wakelon.

Monogram Club

President, Jerry Brayboy; Vice-President, Robert Lanier; Sec.-Treas., Janet Griswold; Reporters, Patsy Hales and Pam Manning.

The Monogram Club is made up of Wakelon's athletes and cheerleaders. We sponsor many projects such as car washes and selling ballpoint pens to raise funds to purchase cheerleader uniforms for our basketball season.

A Powder Puff Football game is held annually to relieve the tension of everyday school life. In this game the girls assume the boys positions on the field, while the boys lead them on to victory from the sidelines. A new type of variety entertainment was introduced at W. H. S. The highlight of the '64-'65 basketball season was a girls versus boys basketball game. Boy! Was that a lot of excitement.

The Grand Finale of the sponsored activities of the Monogram Club was an ever popular Talent Show, displaying varied talents throughout the school.

Let's keep Wakelon the finest in the land!

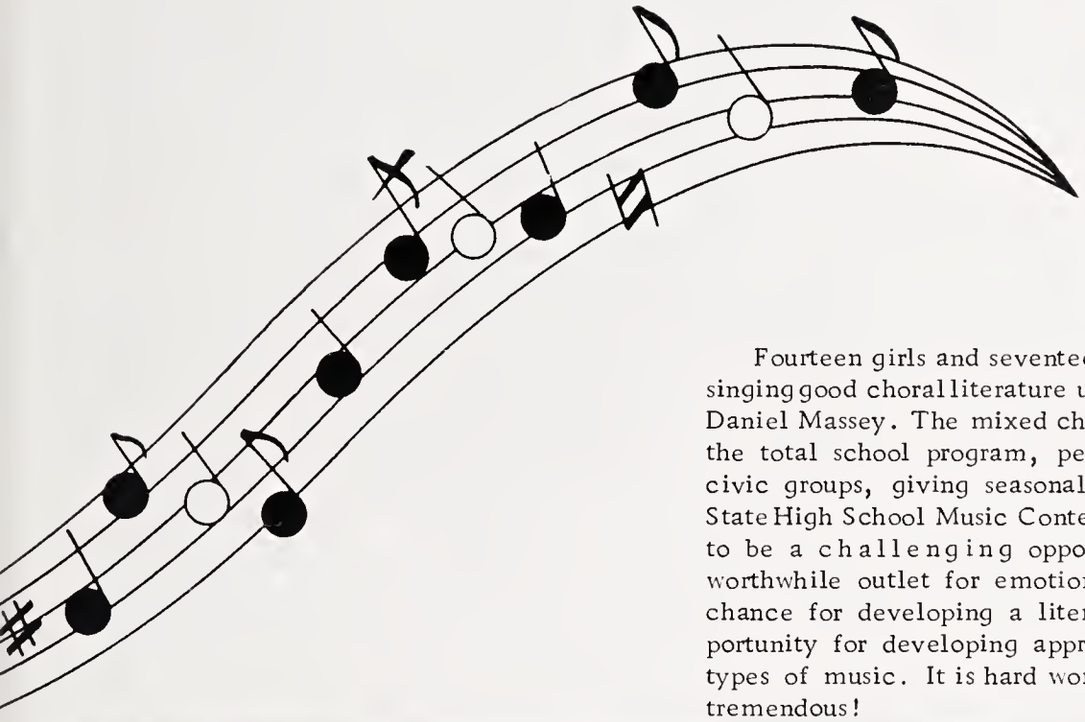
Chorus



Fourteen girls and seventeen boys are experiencing the joy of singing good choral literature under the leadership of Mrs. Robert Daniel Massey. The mixed chorus has become a valuable part of the total school program, performing for school activities and civic groups, giving seasonal concerts, and participating in the State High School Music Contest—Festival program. It is proving to be a challenging opportunity for fostering team work, a worthwhile outlet for emotions and a release from boredom, a chance for developing a literacy for music reading, and an opportunity for developing appreciations and understandings of all types of music. It is hard work at times but the satisfactions are tremendous!
